The fiscal year budget for 2019-2020 went into effect July 1, 2019 which included funding for the continued monitoring of the Willits and Fort Bragg DOT Yards Underground Storage Tank Monitoring Project.

**Summary of Request:**

The North Coast Regional Water Quality Control Board (NCRWQCB) approved work plans prepared by LACO Associates for monitoring well installation and groundwater monitoring for leaking underground storage tank cases 1TMC107 Mendocino County DOT Willits Road Yard and 1TMC337 Mendocino County DOT Ft. Bragg Road Yard, both dated July 28, 2014. Since 2014 LACO Associates has implemented the work plan and filed semi-annual reports with the NCRWQCB with the intent to monitor, analyze, report, and move both sites to the point where they meet the NCRWQCB requirements for “No Further Action” (NFA) status. This contract will continue the work previously performed in past fiscal years and includes the destruction of obsolete monitoring wells and recommendations for Low Threat Closure.
