(Sponsor: Executive Office)

Recommended Action/Motion:

Receive update regarding COVID-19, discuss and/or provide direction regarding essential services in Mendocino County, operational preparation and response, and associated county-wide economic impacts.

Previous Board/Board Committee Actions:

On March 10, 2020, the Board of Supervisors ratified the Local Emergency related to 2019 Novel Coronavirus (COVID-19) as proclaimed by the Chief Executive Officer/Director of Emergency Services and ratified the Existence of a Local Health Emergency as Proclaimed by the Health Officer on March 4, 2020. The Board has continued to receive regular updates on the status of COVID-19 in Mendocino County. Since that time, the Board of Supervisors has received update during each meeting related to COVID-19.

Summary of Request:

Mendocino County Public Health has been actively responding to the threat of COVID-19 since early January 2020. On March 4, 2020, Mendocino County declared a local health emergency due to the COVID-19 pandemic.

Mendocino County Public Health confirmed the first case of the coronavirus (COVID-19) in Mendocino County on March 18, 2020; currently, Mendocino County has had four positive cases, all of which have recovered. On this date, the Mendocino County Health Officer issued a Health Order directing all county residents to Shelter-In-Place, effective starting from March 18, 2020 at 10 p.m. until April 7, 2020 at 11:59 p.m. Since that time, revised orders were issued with the most recent issued on August 3, 2020. The SIP order remained in place until August 14, 2020.

In mid-May, the Governor released an outline of a plan for relaxing its stay-at-home orders, which includes four stages. In preparation, Mendocino County worked with the business community to develop sector-by-sector safety guidelines for an expanded workforce. On May 19, 2020, the County of Mendocino Submitted an Attestation Plan/Variance to State 2 of California’s Roadmap to Modify the Stay-at-Home Order; this plan was accepted by the State Department of Public Health less than 24 hours after submission.

As a result of the imminent threat presented to Mendocino County’s public health due to COVID-19, the Board of Supervisors will receive brief updates on the following:

- Health Officer Briefing (Dr. Noemi (Mimi) Doohan)
- County Services/DOC Update: Carmel J. Angelo and Bekkie Emery
- Fiscal Update: Darcie Antle
- Code Enforcement Update: Sheriff, Health and Human Services Agency/Special Investigative Unit, Planning and Building Services/Code Enforcement, Environmental Health
