Summary of Request:

Nuestra Alianza de Willits will oversee a six-month Promotores de Salud demonstration program that trains and prepares culturally responsive Spanish speaking community health workers, also known as promotoras or

promotores, to support health education and prevention efforts in Mendocino County's COVID-19 response in order to reduce the disproportionate impact of the COVID-19 virus on the Hispanic/Latinx population. Funds will be used to develop, train, document and evaluate an Ambassador of Health Promotion Pilot Program that strengthens various outreach and engagement efforts in Mendocino County.
