Agenda Title:

Approval of Agreement with WRA, Inc. in the Amount of \$200,000 with a Term through June 30, 2025 for the Preparation of an Updated Coastal Biological Resources/Habitats & Natural Resources Report and Consulting Services

Recommended Action/Motion:

Approve Agreement with WRA, Inc. in the amount of \$200,000 with a term through June 30, 2025 for the preparation of an updated coastal biological resources/habitats & natural resources report and consulting services; and authorize the Chair to sign same.

Previous Board/Board Committee Actions:

On October 18, 2022, the Board of Supervisors signed Resolution #22-206, authorizing filing of an application for a multi-level update of the local coastal program in the amount of \$2,177,399 for Mendocino County and authorized the Chief Executive Officer to execute the grant agreement and submit all documents if awarded. Furthermore, on April 19, 2023, the County entered into grant Agreement No. LCP-22-06, with the California Coastal Commission in the amount of \$2,177,399, through December 31, 2026 which specifically calls out details of the grant awarded and the subsequent contracts.

Summary of Request:

Per the California Coastal Commission Grant Agreement No. LCP-22-06 for the update of the Local Coastal Program (LCP), Task 2 includes contracting with the following consultant(s) and/or firms: biologist or botanist, traffic engineer, hydrogeologist and civil engineer, visual resources consultant, and CEQA document consultant. Task 3 of the grant includes updated studies and data analysis for the following LCP topic areas: Water and Sewage Disposal Availability, Transportation Resources and Development Issues and Policies, Agriculture Resources and Development Issues and Policies, Coastal Access/Visitor Serving Facilities, Rare Plants/Sensitive Natural Communities, Visual Resources and Environmental Review (CEQA). This agreement addresses the agriculture resources and rare plants/sensitive natural resources issues and fulfills requirements of the grant by resulting in an updated coastal biological resources/habitats & natural resources report that will be referenced in the LCP Update.

Alternative Action/Motion:

Do not approve the agreement and provide staff with direction.
