With this contract, the Agency hopes to maintain or increase participation in CalFresh, thereby

reducing hunger, improving health status, and improving economic security for low-income households. The Contractor, Mendocino County Office of Education, will serve as the coordinator and facilitator of funding allotments to all school districts in the County that are willing and interested in performing CalFresh outreach activities to their student population. Funding for this project is provided by CalFresh Administration funds. This contract is a one-time commitment, and is dependent on funds available.
