Summary of Request:

The California Department of Public Health (CDPH) provides funds to the Women, Infants and Children (WIC) program of the County of Mendocino Department of Public Health (PH), to support pregnant, breastfeeding, or postpartum women and their children. These funds enable the WIC program to provide services to help mothers and young children stay healthy. Specifically, qualifying WIC participants are eligible to receive nutrition education, vouchers for nutritious foods, breastfeeding support, and referrals to medical providers and community services. WIC provides these supportive services at nine locations throughout Mendocino County.

In May 2022, PH submitted a Contract Application to CDPH; on July 25, 2022, PH received the Agreement from CDPH; and on September 20, 2022 the County of Mendocino Board of Supervisors (BOS) executed the Agreement (BOS-22-236) in the amount of \$3,336,315 to support essential WIC program services across Mendocino County for a three-year term, effective October 1, 2022 through September 30, 2025. Then, in March 2023, PH received a First Amendment to Agreement No. BOS-22-236; and on June 20, 2023 the BOS executed this First Amendment No. BOS-22-236-A1, increasing the amount by \$63,906, for a new total of \$3,400,221. In early 2023, PH received notice of a Second Amendment to Agreement No. BOS-22-236; and on September 26, 2023 the BOS ratified execution of this Second Amendment No. PH-23-033, increasing the amount by \$28,401, for a new total of \$3,428,622.

More recently, on February 10, 2024, PH was notified by CDPH about the proposed Third Amendment to Agreement No. BOS-22-236, increasing the awarded amount by \$8,436 per year for a total increase of \$25,308, for a new total of \$3,453,930.
