Previous Board/Board Committee Actions:

February 28, 2012, BOS Agreement No. 10-210-A1

Summary of Request:

The California Department of Public Health (CDPH) has authority to grant funds for the HIV Surveillance Program under the California Health and Safety Code. CDPH, Office of AIDS, is the lead agency within the State responsible for coordinating state programs, services and activities related to Human Immunodeficiency Virus (HIV) and Acquired Immune Deficiency Syndrome (AIDS).

The proposed Agreement allows Health and Human Services Agency, Public Health, to administer the HIV Surveillance Program and ensures the implementation of HIV surveillance activities. Public Health will plan, develop, and implement all aspects of HIV surveillance in Mendocino County. The activities related to this Agreement include: maintaining infrastructure for HIV surveillance; collecting and submitting accurate, complete, and timely HIV surveillance data; maintaining data security and confidentiality; managing and coordinating the program; and collaborating with partners to respond to the HIV epidemic.

These funds have been part of an ongoing allocation program from CDPH. This year CDPH required Public Health to submit a budget by June 30th in order to receive funds. After submitting the attached budget, Public Health received the Agreement on August 19, 2019, along with a request for a Board Resolution and is therefore requesting retroactive approval. This is the first year the Agreement has been labeled a “Grant.”
