Summary of Request:

Since August 2020, North Coast Opportunities, Inc. (NCO) has been supporting the County of Mendocino in an effort to assist the community during the COVID-19 pandemic. On April 20, 2021, the County of Mendocino Board of Supervisors (BOS) approved retroactive Agreement No. BOS-21-068 with NCO in the amount of \$25,000, for COVID-19 relief services to families requiring urgent support to address housing and food crises, from January 1, 2021 through June 30, 2021. On October 19, 2021, the BOS approved first Amendment No. BOS-21-068-A1 to increase the amount available for these services to \$35,000, and to extend the term an additional year, through June 30, 2022. On May 11, 2022, the Public Health Director approved second Amendment No. PH-21-026 to extend the termination date another year, through June 30, 2023.

The proposed retroactive third Amendment to Agreement No. BOS-21-068 adds personnel, travel, meals, basic hygiene supplies, and indirect costs as qualified expenses under this Agreement. The need and costs for these services were unpredictable and unexpected during the time of the pandemic, and this third Amendment was not anticipated. Public Health began processing this third Amendment as soon as the need was recognized and the costs realized, and this third Amendment is before the BOS retroactively. Once this third

Amendment is executed, it will be effective for the full term of the Agreement, from January 1, 2021 through June 30, 2023.
