Item Type: Consent Agenda

Time Allocated for Item: N/A

Agenda Title:

Adoption of an Ordinance Amending Chapter 10A.17 of the Mendocino County Code to Further Streamline the Cannabis Cultivation Permitting Processes

Recommended Action/Motion:

Adopt ordinance amending Chapter 10A.17 of the Mendocino County Code to further streamline the cannabis cultivation permitting processes; and authorize Chair to sign same.

Previous Board/Board Committee Actions:

On May 17, 2022, the Board of Supervisors (Board) directed department staff to return with an answer as to whether the current cannabis ordinance process is as streamlined as possible, and if not, provide recommendations on more streamlined versions with pros and cons.

On October 4, 2022, the Board discussed and directed staff regarding the Cannabis Ad Hoc Recommendations, including direction to bring Ad Hoc Recommendations 8., 11., and 12., to the General Government Committee for discussion and recommendation.

On March 14, 2023, the Board directed County Counsel to prepare a draft ordinance and environmental document removing or streamlining local cannabis permit requirements while maintaining all of the same environmental protection measures.

At an April 14, 2023, special meeting of the General Government Committee, a draft of the ordinance was reviewed, and recommendations were made.

On May 23, 2023, the Board of Supervisors adopted 23-0600, an Addendum to the Previous Adopted Mitigated Negative Declaration for Amendments to Mendocino County Code Chapters 10A.17 and 20.242 Streamline Cannabis Cultivation Permitting Processes and Approving an Amended Mitigation Monitoring and Reporting Program.

During the September 25, 2023 General Government Committee (GGC) meeting, the GGC set a special meeting to discuss potential changes to Chapter 10A.17 and make recommendations, potentially including a

referral to the full Board.

On October 10, 2023, the special GGC meeting was held and staff received input and recommendations from the GGC and the cannabis community. Staff was asked to make the recommended changes and to bring the revised draft ordinance amendment back to the GGC for further review and possible referral to the Board of Supervisors.

On October 30, 2023, staff brought the revised draft ordinance amendment to the GGC's regular meeting and, after receiving community feedback, referred the ordinance amendment to the Board.

On January 23, 2024, the Board introduced and waived the first reading of the ordinance.

Summary of Request:

Staff from the Cannabis Department and Office of County Counsel have conducted two public meetings to receive feedback from the community on opportunities to further streamline the cannabis program. Input was also received from the GGC on October 10, 2023. County staff made additional changes based on the GGC's recommendations and community feedback and those additional changes were referred to the Board by the GGC on October 30, 2023. The proposed ordinance amendments are now being presented to the Board of Supervisors and staff from the Cannabis Department and Office of County Counsel are requesting the Board of Supervisors introduce and waive the first reading of the proposed ordinance.

Alternative Action/Motion:

Provide direction to staff.

Strategic Plan Priority Designation: An Effective County Government
