**Summary of Request:**

On April 24, 2020, Mendocino County Health and Human Services Agency (HHS) became aware of available state funding for the "Great Plates Delivered" program, a meal delivery service for California's older adults. Mendocino County HHS immediately pursued this funding opportunity, and coordinated with state agencies, in addition to local restaurants, to launch the "Great Plates Delivered" program for the benefit of Mendocino County. The Great Plates Delivered program utilizes the Federal Emergency Management Agency (FEMA) Emergency Feeding Program Framework, which has a standard federal reimbursement of 75% of costs. Initially, California Office of Emergency Services (CalOES), in partnership with the California Department of Aging (CDA), contributed an additional 18.75% reimbursement, which resulted in an estimated county cost share of 6.25% of costs. In January 2021, by executive order from President Biden, the FEMA reimbursement amount was increased to 100% of eligible costs, effectively eliminating the county cost share; this order was retroactive to March 2020.

Great Plates Delivered has two purposes: 1) To help seniors (65+) and other adults (60-64) at high risk from COVID-19, (having documented exposure to COVID-19 or underlying health condition) to stay home and stay healthy by delivering three nutritious meals a day; and 2) To provide essential economic stimulus to local

businesses struggling to stay afloat during the COVID-19 crisis.

HHSA originally coordinated with five restaurants to prepare and deliver up to three meals a day to local homebound seniors. After receiving a positive response from the community, HHSA coordinated with five additional restaurants to provide meals within Mendocino County. Over the past several months, Patrona Restaurant provided services to program participants in the Ukiah area.

HHSA requests execution of a seventh amendment to the Great Plates Delivered contract with Patrona Restaurant. The Board of Supervisors approved amendments to the initial \$50,000 contract beginning on February 9, 2021, either through direct approval at a Board meeting or by delegating authority to the County's Purchasing Agent to execute amendments within specific dollar amounts and end dates. The proposed seventh amendment is anticipated to be the last as the state announced recently that the program will end on July 9, 2021. The amendment will cover costs for 118 participants at an anticipated weekly average invoice amount of \$54,516, when using the program's established meal reimbursement amount of \$66 per person, per day. While the contract was active, Patrona Restaurant served 166 participants and delivered 53,769 meals.

The County received notification of the end of the Great Plates Delivered Program in June 2021, and therefore requests retroactive approval of the proposed amendment.
