Summary of Request:

Mendocino County Hospitality Center (MCHC) is an identified contracted provider of services under the Mental Health Block Grant (MHBG). MCHC offers case work, care management, outreach, access to services, and treatment for adults with Serious Mental Illness who are experiencing homelessness, have a dual diagnosis, and are residents of the Homeless Shelter and Transitional Housing Apartments.

Through the proposed Agreement with MCHC, MHBG funds will be utilized for serving numerous clients within the MCHC Café Vocational and Support Program, including program supplies, insurance, utilities, and staffing costs. MCHC will provide these direct services and supportive care management services in order to maintain housing for up to 33 clients per year. These services will be offered in a variety of locations where those experiencing homelessness access other services, such as the shelter, resource center, and transitional housing.

Behavioral Health and Recovery Services (BHRS) began processing this Agreement with MCHC in May 2024. Partway through the process, State funding amounts were updated, requiring BHRS to update the Exhibits and total amount for the proposed Agreement. The revised Agreement then rerouted through the approval process in early June 2024, during which time it became retroactive, with a start date of July 1, 2024. This contract is retroactive for 8 days, and no invoices shall be authorized pending approval of amendment for

services from July 1 2024 to June 30, 2025.

Alternative Action/Motion:

Return to staff for alternative handling.
