Summary of Request:

The Human Resources Department is charged, as part of the overall maintenance of the classification and compensation plan, to evaluate current classifications, create new classifications (including appropriate salary levels), make bargaining unit determinations, reclassify positions, examine requests for salary grade adjustments, analyze allocations, and make recommendations for additions, modifications, and corrections.

Resolution No. 10-006, and as amended by Resolution Nos. 13-109, and 17-128, 18-048 and 18-150 identifies Unrepresented classifications and implements terms and conditions of employment for unrepresented employees. Through the adoption of Resolution No. 18-150 on October 2, 2018, classifications serving as assistant department head (second in command) were removed from representation by bargaining unit and designated as Unrepresented; the attached resolution proposes to amend Resolution No. 10-006 (and its various amendments as listed above) to designate the Chief Operations Officer - Health and Human Service Agency, currently represented by Department Head Association, as Unrepresented as it is not a department head and serves as assistant (second in command) to the department head. Human Resources has fulfilled its obligations with the affected Bargaining Unit.

This agenda item further proposes amend Resolution No. 10-006, (and its various amendments as listed above), as administrative cleanup, to include the following Unrepresented classifications not currently reflected in Resolution 10-006 and its various amendments: Administrative Project Manager - Measure B, adopted on March 12, 2019, Sheriff's Business Services Officer, adopted on July 9, 2019 and County Health Officer, adopted on November 19, 2019, and the title change of Risk Analyst to Senior Risk Analyst adopted on December 10, 2019.
