Approval of Agreement between Ukiah Auto Dismantlers, LLC. (UAD) and Mendocino County Planning and Building Services (PBS), in the Amount of \$400,000 for Abandoned Vehicle Tow and Disposal Services in the Unincorporated Area of Mendocino County

### **Recommended Action/Motion:**

Approve Agreement between Ukiah Auto Dismantlers, LLC. (UAD) and Mendocino County Planning and Building Services (PBS), in the amount of \$400,000 for abandoned vehicle tow and disposal services in the unincorporated area of Mendocino County; and authorize Chair to sign same.

### **Previous Board/Board Committee Actions:**

2013 adoption of Resolution creating Mendocino County Abandoned Vehicle Abatement Service Authority.

### **Summary of Request:**

The County of Mendocino administers a State approved and funded Abandoned Vehicle Abatement Service Authority in partnership with the Cities of Ukiah, Fort Bragg, and Willits. The funding for this authority comes from a statutory \$1 per vehicle registration fee, approved by a local ballot measure. The Service Authority depends on removal and dismantling of vehicles abandoned on public and private property throughout the

county. On November 4, 2019, PBS released a Request for Proposal (RFP) for services related to Abandoned Vehicle Tow and Disposal Services, which resulted in 2 responsive submittals. Ukiah Auto Dismantlers, LLC. was rated substantially higher with the most responsive proposal. UAD has a history of cooperation in working with the Service Authority and is a reliable vendor to complete the necessary services.
