Discussion and Possible Action Regarding Recommendations of the Cannabis Cultivation Ad Hoc Committee
(Sponsor: Cannabis Cultivation Ad Hoc Committee (Supervisor Haschak))

Recommended Action/Motion:

Discuss the recommendations of the Cannabis Cultivation Ad Hoc Committee; and provide direction to staff as appropriate.

Previous Board/Board Committee Actions:

January 22, 2019: Formation of an Ad Hoc Committee to discuss issues related to Cannabis Cultivation Ordinance. May 14, 2019: Discussion at BOS meeting of ad hoc committee's recommendations where direction was provided to staff. February 25, 2020: Discussion at BOS meeting of ad hoc committee's recommendations where direction was given for the ad hoc committee to return to the BOS with clarification.

Summary of Request:

Clarification was needed in order to better understand the cannabis cultivation charts for "legacy" and "non-legacy" sites.

The ad hoc committee is making these recommendations:

1. Have an open window for new legacy cultivator permits which would be for six months after adoption/implementation of the cannabis equity program.
2. Adopt zoning and scale charts for both "legacy" and "non-legacy" cultivation site permits.

Alternative Action/Motion:

Do not provide direction to staff.
