Summary of Request:

GEO Reentry Services LLC operates the Adult Day Reporting Center (DRC) for the County of Mendocino Probation Department as approved by the Community Corrections Partnership and funded through Community Corrections (AB109) funds. The DRC is operated within a County facility. In consideration for the value of the County premises occupied by GEO Reentry Services LLC for the purpose of operating the DRC, the monthly rate of \$1,300.00 has been established. The amount of this monthly rate is deducted from the monthly service cost for operating the DRC under the separately executed Standard Services Agreement. Therefore, there is no income under this Lease Agreement but rather a reduction in the cost for the operation of the DRC.
