On March 10, 2020, the Board of Supervisors ratified the Local Emergency related to 2019 Novel Coronavirus (COVID-19) as proclaimed by the Chief Executive Officer/Director of Emergency Services and ratified the

Existence of a Local Health Emergency as Proclaimed by the Health Officer on March 4, 2020. The Board has continued to receive regular updates on the status of COVID-19 in Mendocino County. Since that time, the Board of Supervisors has received update during each meeting related to COVID-19.

**Summary of Request:**

Mendocino County Public Health has been actively responding to the threat of COVID-19 since early January 2020. On March 4, 2020, Mendocino County declared a local health emergency due to the COVID-19 pandemic.

Mendocino County Public Health confirmed the first case of the coronavirus (COVID-19) in Mendocino County on March 18, 2020; currently, Mendocino County has had four positive cases, all of which have recovered. On this date, the Mendocino County Health Officer issued a Health Order directing all county residents to Shelter-In-Place, effective starting from March 18, 2020 at 10 p.m. until April 7, 2020 at 11:59 p.m. Since that time, revised orders were issued with the most recent issued on August 13, 2020. The SIP order remained in place until September 11, 2020.

In mid-May, the Governor released an outline of a plan for relaxing its stay-at-home orders, which includes four stages. In preparation, Mendocino County worked with the business community to develop sector-by-sector safety guidelines for an expanded workforce. On May 19, 2020, the County of Mendocino Submitted an Attestation Plan/Variance to State 2 of California's Roadmap to Modify the Stay-at-Home Order; this plan was accepted by the State Department of Public Health less than 24 hours after submission.

As a result of the imminent threat presented to Mendocino County's public health due to COVID-19, the Board of Supervisors will receive brief updates on the following:
