Agenda Title:

Adoption of Private Road Name RN_2020-0011 (Cerise Road) in Boonville, Finding it to be in Conformance with Mendocino County Code Sec. 18.16, Officially Naming the Private Road, and Directing Staff to Assign Addresses Accordingly

Recommended Action/Motion:

Adopt Private Road Name RN_2020-0011 (Cerise Road) in Boonville area, finding it to be in conformance with Mendocino County Code Sec. 18.16, officially naming the private road and directing staff to assign addresses accordingly.

Previous Board/Board Committee Actions:

Adoption of Chapter 18.16 of the Mendocino County Code, granting the Planning & Building Services Department authority over private road naming and addressing. Chapter 18.16 was most recently updated in December 2016 by Ordinance 4370. On February 4, 2020 the Board of Supervisors directed staff to work with the Fire and EMS Sustainability Ad Hoc Committee to update and streamline the road naming process for public safety purposes.

Summary of Request:

The Mendocino County Planning and Building Services Department is responsible for creating and maintaining the Master Grid and Property Numbering System used to assign physical or 'SITUS' numbers to parcels in the unincorporated areas of the County. The primary purpose of this responsibility is to coordinate the application of emergency services

when needed, as well as to maintain an organized file system within the Department based on property addresses. In addition, the Department is also tasked with processing road name petitions filed by property owners, or filing petitions on the County's behalf when the need arises.

This road is part of a group of requests submitted by the Anderson Valley Community Services District (AVCSD) on August 8, 2020. Following the direction given by the Board on February 4, the Department has submitted a request to adopt the name *Cerise Road* for the private road, as recommended by the AVCSD. See Memorandum and maps attached.

Alternative Action/Motion:

- 1) The Board of Supervisors rejects adoption of the proposed road name, leaving the existing road unnamed. Addresses will remain assigned as Deer Meadows Road.
- 2) The Board of Supervisors adopts a different name for the road, naming it _____, and directs staff to assign the proper addresses.
