Discussion and Possible Action Including Approval of Tax Refund Claim in the Amount of \$4,220.40 by Karen A. Calvert, Pursuant to Revenue and Taxation Code Sections 5096 and 5097, Regarding Certain Taxes Paid to the Albion Little-River Fire Protection District (Sponsor: County Counsel)

**Recommended Action/Motion:**

Approve Tax Refund Claim in the amount of \$4,220.40 by Karen A. Calvert, pursuant to Revenue and Taxation Code sections 5096 and 5097, regarding certain taxes paid to the Albion Little-River Fire Protection District.

**Previous Board/Board Committee Actions:**

None.

**Summary of Request:**

Karen A. Calvert, acting as trustee for four separate trusts, has requested a refund of certain parcel taxes collected by the County on behalf of the Albion Little-River Fire Protection District. Pursuant to Revenue and

Taxation Code sections 5096 and 5097, property owners may request tax refunds from the Board of Supervisors where the tax was erroneously collected. Ms. Calvert contends that the tax was erroneously applied to her properties because they are commercial forestlands and therefore not part of the Albion Little-River Fire Protection District.

Under Health and Safety Code section 13811, commercial forestlands within a state responsibility area are not part of the jurisdiction of a fire protection district and are therefore not subject to its taxes. Consequently, if the Board of Supervisors finds that the property in question is commercial forestlands, a refund of the special tax imposed by Albion Little-River Fire Protection District is appropriate. Per Revenue and Taxation Code section 5101, the County Auditor pays such refunds with district funds on deposit in the County treasury.

Ms. Calvert has submitted an affidavit and other supporting documentation to demonstrate that the parcels in question were erroneously charged the District's tax because they are commercial forestland within a state responsibility area. Counsel for both Ms. Calvert and Albion Little-River Fire Protection District have been notified that the Board will consider the tax refund claim at its December 8, 2020 meeting. To date, counsel for Albion Little-River Fire Protection District has not indicated any dispute over Ms. Calvert's characterization of the property but has reserved a right to do so at the time the matter is considered by the Board.

The Board is asked to consider and weigh the submitted refund claims and any additional argument or evidence presented at the time of the meeting. Should the Board find that the property in question is commercial forestland within a state responsibility area, then refund of the taxes appears appropriate.

**Alternative Action/Motion:**
