Summary of Request:

On October 8, 2020, the Sheriff's Office released a Request for Proposal number SO-2020-003 for social media, web design, and training services. The Mendocino County Sheriff's Office (MCSO) has a mandate to inform the public of the latest law enforcement news and developments happening within Mendocino County. In order to fulfill this duty, the Sheriff's Office requires a private contractor to provide media, web design, and training services using social media platforms and traditional media channels. This use of social media enables the Sheriff's Office to efficiently and effectively disseminate information about law enforcement, emergency operations, and county government programs and services as well as unusual circumstances/situations of immediate public interest. The Sheriff's Office received three bids. Elizabeth "Liz" Barney is the highest scoring bidder in that RFP.

Elizabeth "Liz" Barney will write, post, edit, share photos, videos, links, and Public Service Announcements on MCSO's Facebook, Twitter, Instagram, and Youtube accounts. The vendor will provide web site design, update information, and maintain MCSO's website. The vendor will also train MCSO staff on website security, social media security, social media monitoring, social media emergency management, marketing, public safety campaigns, and social media campaigns. The term of this Agreement shall be from January 1, 2021 through December 31, 2021, with the option to extend the Agreement for one additional one-year period.

Due to the withdrawal of the initial three-year term agreement and finalizing the details of the current contract, the agreement is being presented for retroactive consideration.
