Item Type: Regular Agenda

Time Allocated for Item: 15 min.

Agenda Title:

Discussion and Possible Action Including Introduce and Waive First Reading of an Ordinance Amending Section 10A.15A.030 of the Mendocino County Code Modifying Certain Definitions Related to Genetically Modified Organisms
(Sponsor: County Counsel)

Recommended Action/Motion:

Introduce and waive first reading of an ordinance amending section 10A.15A.030 of the Mendocino County Code modifying certain definitions related to genetically modified organisms.

Previous Board/Board Committee Actions:

On February 26, 2019, the Board of Supervisors adopted an urgency ordinance establishing a temporary moratorium on cultivation of genetically modified organisms. A second urgency ordinance extending the temporary moratorium was adopted by the Board of Supervisors on April 9, 2019. On February 25, 2020, the Board of Supervisors adopted Ordinance No. 4459, adding Chapter 10A.15A to the Mendocino County Code,

and, in response to public comment, directed staff to work with interested parties regarding definition modifications.

Summary of Request:

Staff outreached with interested parties during 2020 regarding the concerns over the definitions adopted in February 2020. After several rounds of proposed revisions to section 10A.15A.030, staff believes the definitions as modified resolve the concerns raised in February 2020. The definitions are reorganized for clarity, include minor changes for better scientific accuracy, and specify that while certain stated techniques are not themselves genetic engineering, if those techniques are used with genetically modified organisms, then that technique is considered genetic engineering.

Alternative Action/Motion:

Provide direction to staff.

Supervisory District: All

vote requirement: Majority

Supplemental Information Available Online At: N/A

Fiscal Details:

source of funding: N/A

current f/y cost: N/A

annual recurring cost: N/A
