Summary of Request:

Due to space limitations at the Fort Bragg Health and Human Services Agency, Family and Children's Services (FCS) building, Safe Passage Family Resource Center provides FCS staff space for use to supervise visits

between foster children and their families, and for FCS contractors to provide parenting education classes.

Due to COVID-19, workload priorities have shifted daily to cover program operations, changing program operational needs, filling in for staffing gaps and reassessing services provided under contracts to determine what services are able to continue and in what manner to comply with Federal, State and Local requirements. This has taken time away from standard review of contracts and has necessitated additional time in contract preparation to plan for a variety of service needs and service delivery methods due to future uncertainty as to what may be permitted and when. This process necessitated a retroactive Agreement.

Alternative Action/Motion:

Return to staff for alternative handling.
