January 26, 2021, Item 4(v), BOS Agreement No. 21-010.

Summary of Request:

The Coronavirus Aid, Relief, and Economic Security (CARES) Act passed by Congress on March 27, 2020, included funds for homeless services through the U.S. Department of Housing and Urban Development's (HUD) Emergency Solutions Grant (ESG-CV) to support Continua of Care (CoC) in addressing COVID-19 among persons experiencing homelessness. On June 1, 2020, the Department of Housing and Community Development released a Notice of Funding Availability for the ESG-CV. The ESG-CV provides funding to prevent, prepare for and respond to coronavirus among individuals and families who are experiencing homelessness or receiving homeless assistance and to support additional homeless assistance and homeless prevention activities to mitigate the impacts created by coronavirus. ESG-CV funds for non-entitlement CoC jurisdictions, such as Mendocino County Homeless Services Continuum of Care, are distributed to State Governments, which then release funds directly to the CoC. Funds are awarded in two funding rounds; the first round of funding awarded to Mendocino County was \$705,100.

The Agreement with Redwood Community Services provided funding for the emergency shelter, specifically for costs associated with preventing, preparing for and responding to the coronavirus among individuals and families who are experiencing homelessness in Mendocino County. Health and Human Services Agency plans to continue contracting with Redwood Community Services for a year round shelter during the Coronavirus Pandemic. Redwood Community Services' use permit issued by the City of Ukiah has been approved for year round operation.

The proposed amendment allows for additional funds to reimburse unforeseen expenses incurred in December 2020, related to the COVID-19 outbreak at the shelter. Health and Human Services Agency received the final invoices for the COVID-19 outbreak in February, which necessitated the retroactive amendment.
