**Summary of Request:**

The County of Mendocino, along with eight other counties and cities, accepted a mediator's proposal of \$415 million to resolve the collective cities' and counties' North Bay Fires claims. The claim funds are intended for rebuilding and recovery from the Redwood Complex fire in 2017. Of the \$415 million, \$22,651,737 was allocated for Mendocino County.

This informational presentation is one of four sessions that will be conducted to assist the Board of Supervisors to identify and prioritize projects in need of one time funding to be allocated from the Pacific Gas & Electric disaster and settlement funds.
