**Agenda Title:**

Ratification of Submission of Grant Application to the California Department of Public Health, Office of Oral Health, to Increase Original Agreement No. 17-10704 in the Amount of \$835,130 with Additional One-Time Funding of Up To \$25,000, for the Children's Dental Disease Prevention Program (Equipment Support and Referral Management/Care Coordination Tools) to be Utilized Between September 1, 2021 through June 30, 2022; and Authorization for the Health and Human Services Agency Assistant Director/Public Health Director to sign Amendment to Agreement No. 17-10704, if Awarded, and any Amendments that do not Exceed the Maximum Amount

**Recommended Action/Motion:**

Ratify submission of grant application to the California Department of Public Health, Office of Oral Health, to increase original Agreement No. 17-10704 in the amount of \$835,130 with additional one-time funding of up to \$25,000, for the Children's Dental Disease Prevention Program (Equipment Support and Referral Management/Care Coordination Tools) to be utilized between September 1, 2021 through June 30, 2022; and

authorize the Health and Human Services Agency Assistant Director/Public Health Director to sign Amendment to Agreement No. 17-10704, if awarded, and any amendments that do not exceed the maximum amount.

**Previous Board/Board Committee Actions:**

October 17, 2017, Item 4(f), Approval of Application.

**Summary of Request:**

The California Department of Public Health (CDPH) released a Request for Application for the Children's Dental Disease Prevention Program (Equipment Support and Referral Management/Care Coordination Tools) on March 3, 2021, for one-time additional funding of up to \$25,000 to increase the County's original Oral Health Agreement with CDPH (No. 17-10704 for \$835,130). The goal of the funding is to increase the number of children receiving dental screenings and referrals. The additional funding for the program will be used to purchase hardware and software for the referral management tools, care coordination onboarding or technical support, and supplies for screenings related to school-linked dental programs. The Application deadline was April 21, 2021, with an anticipated award date of September 1, 2021.

The Mendocino County Oral Health Program requests Board ratification of submission of the application for up to \$25,000 additional funding to provide access to dental services for children considered to be high-risk for tooth decay based on their socioeconomic status and limited access to dental services. Tooth decay is the most common chronic disease of childhood. Priority is given to underserved areas and populations throughout Mendocino County.
