Discussion and Possible Action Regarding Request for Direction to Staff on the Consideration of the Review and Update of All County Social Media Use Policies and County Social Media Handbooks
(Sponsors: County Counsel, Human Resources and Information Services)

Recommendation:

Provide direction to staff on the consideration of the review and update of all County Social Media Use policies and County Social Media Handbooks.

Previous Board/Board Committee Actions:

On February 9, 2021, the Board of Supervisors referred a matter to the Government Committee for consideration of the review and update of all County Social Media Use policies and County Social Media Handbooks.

Summary of Referral:

At its meeting on February 9, 2021, the Board of Supervisors discussed the approval of an agreement with a social media contractor providing services for the Mendocino County Sheriff's Office. During this discussion, the issue of freedom of speech and appropriate social media practices as it applies to County employees and

contractors was brought up as a concern. The Board of Supervisors commented on the need to update the County Social Media Use policy and Social Media Handbook to align to the current social media standards. The Board then provided a directive to refer the review and update of all County Social Media Use policies and County Social Media Handbooks to the Government Committee.
