Previous Board/Board Committee Actions:

The Board approved the original agreement at the August 4, 2020 meeting.

Summary of Request:

Since early on in this pandemic, North Coast Opportunities (NCO) has worked with primarily minority communities and the younger population, through its pre-established relationships with the targeted population. They have working relationships with the three Chambers of Commerce (Ukiah, Willits, and Fort Bragg), city governments, Ukiah Vecinos en Acción (UVA), family resource centers, and several programs

within the NCO structure (e.g., Healthy Mendocino, Volunteer Network, Emergency Preparedness In Communities/EPIC, Head Start, People Helping People, Walk and Bike Mendocino).

For this contract, NCO has worked in close coordination with partners in Mendocino County's largest communities to plan and coordinate COVID-19 community education strategies, messages, and materials to increase knowledge and awareness of COVID-19 facts and risks with the goal of increasing the utilization of effective prevention strategies, including social distancing and use of face coverings.

This amendment will extend the contract term from June 30, 2021 to September 30, 2021 and add vaccine education and awareness to the scope. This amendment will not change the contract amount.
