### Agenda Title:

Adoption of Resolution Authorizing the Processing of a Consolidated Coastal Development Permit, CDP\_2021-0019 (Caltrans, Jack Peter Bridge), by the California Coastal Commission, for the California Department of Transportation, to Widen and Upgrade the Jack Peters Creek Bridge

### Recommended Action/Motion:

Adopt a Resolution authorizing the processing of a Consolidated Coastal Development Permit, CDP\_2021-0019 (Caltrans, Jack Peter Bridge), by the California Coastal Commission, for the California Department of Transportation, to widen and upgrade the Jack Peters Creek Bridge; and authorize Chair to sign same.

### Previous Board/Board Committee Actions:

None

### Summary of Request:

The California Department of Transportation (Caltrans) is proposing to bring Jack Peters Creek Bridge up to current design standards by widening the existing structure and upgrading the bridge rails. In addition, the existing shoulder widths range between one (1) and two (2) feet, which does not provide adequate room for disabled vehicles, or maneuvers by a vehicle to avoid a collision, adequate shoulder width to accommodate bicycle traffic, or separated walkway to accommodate pedestrians. The roadway approaches will be widened to the east, requiring the removal of approximately 131 upland trees and 12 riparian trees, which include saplings.

Currently, the project is split in terms of permit jurisdiction between the California Coastal Commission and Mendocino County. The Coastal Act was amended by Senate Bill 1843, effective January 1, 2007, which allows for a consolidated permitting process for projects when the Coastal Development Permit authority is shared by a local government and the State Coastal Commission. Therefore, the Department of Transportation is seeking a resolution which would consolidate the permit review, under the Coastal Commission, for this specific project only and streamline the permit process.

**Alternative Action/Motion:**

Reject the Resolution, and direct staff to process a Coastal Development Permit for the portion of the project located in the County's jurisdiction.

**Supervisory District:** District 4

**vote requirement:** Majority
