### **Previous Board/Board Committee Actions:**

On June 22, 2021, the Board of Supervisors adopted the Master Position Allocation Table for the FY 2022-2022 Budget, Resolution Number 21-090.

### **Summary of Request:**

The Human Resources Department is charged, as part of the overall maintenance of the classification and

compensation plan, to evaluate current classifications, create new classifications (including appropriate salary levels), reclassify positions, examine requests for salary grade adjustments, analyze allocations, and make recommendations for additions, modifications, and corrections.

This request is due to the changes in the Health and Human Services Agency (HHSA), as these three (3) positions currently provide contract support to all three (3) HHSA divisions. As the County transitions during the separation of HHSA it has been reviewed and recommended to be in the best interest of the County to add a contract unit in the Executive Office fiscal unit. These positions will continue to provide contract support to Social Services, Public Health and Behavioral Health along with support to other departments in the County. Adding this unit will provide Executive Office oversight for consistency, compliance and tracking throughout the County in contract development.

The current year fiscal impacts shown below reflect wages (including cost of benefits) of the three (3) incumbents; the annual recurring costs shown below reflect wages (including cost of benefits) at Step 5.

**Alternative Action/Motion:**

Do not adopt recommendations and direct staff.
