Summary of Request:

Since January 2021, Redwood Taxi has been providing transportation services for the County during the COVID-19 pandemic. Redwood Taxi provides transportation for individuals from their location to the location for isolation and/or quarantine. Redwood Taxi ensures the cars are disinfected and the transporter has proper protection and full Personal Protective Equipment.

The previous Agreement for these COVID related services was effective January 14, 2021, through June 30, 2021. With continuation of the COVID-19 pandemic, the Mendocino County Public Health Department requests that Redwood Taxi continue providing transportation services through a new agreement effective July 1, 2021 through June 30, 2022.
