Conduct public workshop with the Mendocino County community-based Advisory Redistricting Commission to receive input on communities of interest and potential district boundaries.

**Previous Board/Board Committee Actions:**

On July 19, 2021, the Board of Supervisors voted to establish a five member community-based Advisory Redistricting Commission and directed staff to solicit applications from the public; on August 17, 2021, the Board of Supervisors selected the five member community-based Advisory Redistricting Commission (ARC); on September 14, 2021 the Board of Supervisors conducted a public workshop with the Mendocino County community-based Advisory Redistricting Commission; the ARC has conducted four additional public

workshops (September 1, September 7, September 30, October 7) and has two additional public workshops scheduled to occur before the October 26, 2021 Board of Supervisors meeting.

**Summary of Request:**

Redistricting is a process that takes place every ten years, when census data becomes available. On August 17, 2021, the Board of Supervisors appointed a five member community-based Advisory Redistricting Committee (ARC). The ARC will assist the Board in conducting community outreach by facilitating community outreach, identifying communities of interest from public input and provide recommendations on the placement of the County supervisorial district boundaries to the Board of Supervisors. The ARC has held 6 public workshops thus far which included 1 Brown Act/Redistricting Overview Training, Election of Chair/Vice Chair and 5 Public Outreach Workshops. Through this public meeting, the Board with ARC will receive updates from staff regarding community outreach to date, a review of current district boundaries for equal population based on the official census data, and a summary of public comment on communities of interest and corresponding draft maps prepared to date. The Board with ARC will also receive continued public input on communities of interest and potential district boundaries.

**Alternative Action/Motion:**
