Approval of Agreement with Hopland Fire Protection District in the Amount of \$20,000 from One-Time Pacific Gas and Electric (PG&E) Disaster Settlement Funds to Purchase Emergency Medical Services Equipment and Supplies, Effective Upon Full Execution through June 30, 2022

### **Recommended Action/Motion:**

Approve Agreement with Hopland Fire Protection District in the amount of \$20,000 from one-time Pacific Gas and Electric (PG&E) Disaster Settlement Funds to purchase Emergency Medical Services Equipment and Supplies, effective upon full execution through June 30, 2022; authorize the Assistant Chief Executive Officer to sign amendments that do not increase the total contracted amount; and authorize Chair to sign same.

### **Previous Board/Board Committee Actions:**

April 6, 2021, Item 5(c), acceptance of presentation from Coastal Valleys EMS Agency regarding provision of EMS in Mendocino County and outlining local agency requests for EMS-related projects to be funded with PG&E Disaster Settlement Funds;

August 17, 2021, Item 4(f), acceptance of prioritized spend for projects utilizing PG&E Disaster Settlement Funds, including approval to award \$20,000 to multiple entities throughout Mendocino County (totaling \$300,000) for Non-Transport Emergency Medical Services Equipment and Supplies.

**Summary of Request:**

On August 17, 2021, the Mendocino County Board of Supervisors (BOS) approved a Prioritized Spend related to projects for strategically investing one-time Pacific Gas and Electric (PG&E) disaster settlement funds, and authorized the Assistant Chief Executive Officer to prepare and bring forward the necessary contracts for distribution of funds to non-county agencies. The proposed contract with Hopland Fire Protection District in the amount of \$20,000 is among the contracts recommended by the County's Local Emergency Medical Services Agency, Coastal Valleys Emergency Medical Services (EMS) Agency, and approved by the BOS on the Prioritized Spend.

Hopland Fire Protection District is one of twenty-four organizations within Mendocino County to receive PG&E funds to support its provision of Emergency Medical Services (EMS). Fifteen of those organizations, including Hopland Fire Protection District, provide EMS in a non-transport capacity; the BOS approved each to receive \$20,000 (\$300,000 total). The remaining nine organizations provide EMS that includes transporting patients to medical facilities when needed. The BOS approved awards to those organizations based on their specific requests.

Pursuant to the proposed Agreement, Hopland Fire Protection District will utilize funding to purchase equipment and supplies to support its provision of non-transport EMS in Mendocino County. Award of PG&E funds to organizations providing EMS enhances the County's resiliency and directly facilitates effective response to disaster.

**Alternative Action/Motion:**

Return to staff for alternative handling.
