Previous Board/Board Committee Actions:

On June 21, 2016, the Board of Supervisors adopted the Master Position Allocation Table for the FY 2016-2017 Budget, via Resolution No. 16-071.

Summary of Request:

The Human Resources Department is charged, as part of the overall maintenance of the classification and compensation plan, to evaluate current classifications, create new classifications (including appropriate salary levels), reclassify positions, examine requests for salary grade adjustments, analyze allocations, and make recommendations for additions, modifications, and corrections.

In order to establish an organizational structure appropriate for the Health and Human Services Agency (HHSA), the Board of Supervisors approved the addition of a Chief Operations Officer in May of 2016. Presently, HHSA is utilizing three Assistant HHSA Directors which are over-filling the classifications of Social Services Branch Director, Public Health Branch Director, and Deputy Director of Mental Health Services. Human Resources is seeking to eliminate the lower classifications so as to accurately reflect HHSA's allocated staffing levels. Additionally, the HHSA Director has determined that the Agency would be better served with an Assistant Director over Administration in place of the Chief Fiscal Officer, as an Assistant Director can provide broader fiscal oversight to all divisions within the Agency. While funding for the positions within BU 4010, 4050, and 5010 has been approved as part of the FY 2016-2017 Final Budget, the costs associated with BU 5020 will be absorbed within the current year's budget.

Alternative Action/Motion:

Direct staff to study alternatives.
