Agenda Title:

Adoption of Ordinance Amending Chapter 18.16 of the County Code Relating to the Master Grid and Property Numbering System

Recommended Action/Motion:

Adopt Ordinance amending Chapter 18.16 of the County Code relating to the Master Grid and Property Numbering System; and authorize Chair to sign same.

Previous Board/Board Committee Actions:

Chapter 18.16 was initially adopted in 1971, and subsequent amendments were adopted in 1971, 1972 and 1982. On November 14, 2016 the Board of Supervisors introduced and waived reading of the amended Ordinance.

Summary of Request:

The Department is proposing changes to provide clarification and definition to existing property addressing processes and to eliminate outdated or irrelevant sections. Changes include clarifying east/west and north/south address base lines; allowing discretion for addressing unimproved parcels; clarifying the process used to determine the address range for a road and how numbers are assigned; limiting property numbers to

whole numbers only with limited exceptions; requiring posted road signs for private roads; requiring roads to serve four dwellings and/or business establishments rather than four parcels for road name petitions; designating the Address Coordinator as the system administrator, instead of the Building Inspector; amending the penalty provisions; as well as renumbering sections for clarity and making minor technical amendments.

Alternative Action/Motion:

Provide further direction to staff or take no action.
