Agenda Title:

Approval of Purchase Microsoft Server Software Licenses in the Amount of \$22,655.60 for the Mendocino County Sheriff's Office Aegis (Public Safety) System

Recommended Action/Motion:

Approve purchase of Microsoft Server Software Licenses in the amount of \$22,655.60 for the Mendocino County Sheriff's Office Aegis (Public Safety) System.

Previous Board/Board Committee Actions:

None

Summary of Request:

The requested Microsoft server software license purchase is required to upgrade the Sheriff's Office Aegis (Public Safety) system to the next available version that will support Windows 10 client computers, provide desperately needed enhancements and prepare the public safety system for the coming Aegis Enterprise upgrade. Failure to purchase these software licenses will result in degraded functionality and further vulnerability of the Sheriff's Office Aegis System, which would likely put law enforcement and the public at greater risk. The cost of the licenses is estimated at \$22,655.60. Although this purchase was not budgeted for this fiscal year, it will be absorbed within the 2310 Budget Unit Net County Cost Assignment for the 2000

series.

Alternative Action/Motion:

Return to staff for alternate handling.
