Approve Retroactive Revenue Agreement with North Coast Drivers not to exceed the amount of \$400,000 (\$20,000 for Health and Human Services Agency) to provide oversight of programs for Mendocino County drivers who have been charged with driving under the influence during the period of July 1, 2017 to June 30, 2018; authorize Health and Human Services Agency Director or designee to sign any future amendments to the Agreement that do not affect the annual maximum revenue amount; and authorize Chair to sign same.

Previous Board/Board Committee Actions:

Last action on March 7, 2017, Item No. 4(p).

Summary of Request:

North Coast Drivers (NCD) will provide Drunk Driver Programs consistent with the requirements, regulations and standards of the California Department of Healthcare Services and the California Substance Use Disorder Compliance Division, for offenders who have been charged with Driving Under the Influence (DUI) of alcohol and/or other drugs. NCD will provide programs at three sites in the County (Ukiah, Willits, and Fort Bragg) during Fiscal Year 2017-18. The calculation of client fees will be in accordance with the California program fees for the following: Wet and Reckless Program, First Offender Program (Level I); First Offender Program (Level II/6 months and Level II/9 months); and Multiple Offender Program (12 months and 18 months). NCD will retain 95% of all client fees collected (estimated \$380,000 retained of \$400,000 total fees), and will complete a financial audit of funds received and expended under this Agreement. NCD will pay the County 5% of client fees within fifteen days of the end of each month. This will cover costs the County incurs for written oversight reports to the Courts as part of carrying out monitoring duties. Delays to this contract were due to added language recommended for all Behavioral Health contracts.

Alternative Action/Motion:

Return to staff for alternative handling.
