### **Summary of Request:**

The catastrophic fires in 2017 have caused a loss in housing and residents' income in Mendocino County and other affected counties. Golden State Finance Authority (GSFA) is a local joint powers authority serving 33 rural county members in California. GSFA is providing grant funding to member county residents who have lost their homes or experienced financial loss that impairs their ability to maintain housing in the state and

federally declared disaster area. GSFA has divided up \$837,000 among the counties of Butte, Mendocino, Napa, Nevada, and Yuba based on the number of single family residences destroyed in the 2017 wildfires. Mendocino County's allocation is \$254,854. This grant fund must be expended or returned to GSFA within two years.
