Previous Board/Board Committee Actions:

August 15, 2017, Item 4(x), BOS Agreement No. 17-088

Summary of Request:

In March 2017, Health and Human Services Agency, Family and Children's Services (FCS) selected Safe Passage Family Resource Center from a Request for Proposal process to provide Differential Response (DR), an alternate system of service provision that allows FCS to respond more broadly to reports of possible child abuse or neglect. DR includes prevention and early intervention, engaging families to address issues of safety and risk, and improving access to services.

Safe Passage will provide DR services from Elk to Westport and will carry an average of 12 cases at a time and up to 36 cases a year. Safe Passage will receive referrals from FCS with low to moderate risk and will engage with the families, conduct needs assessments, develop service plans tailored to meet the needs of the family, and provide case management for 6 to 12 months with the goal of preventing child abuse and neglect, recurrence of maltreatment, and/or re-entry to foster care.

Alternative Action/Motion:

Return to staff for alternative handling.
