**Summary of Request:**

Health and Human Services Agency, Behavioral Health and Recovery Services (BHRS) is currently utilizing

XPIO Group Health, LLC to identify and implement technical efficiencies for Avatar, the Electronic Health Record System by NetSmart that is being used by BHRS to track its data. In addition to establishing remote virtual private network access to the system for BHRS and Administrative Services Organization, Redwood Quality Management Company, XPIO will assist in migrating Substance Use Disorders Treatment data from a state-managed system and will implement new modules to support BHRS systems. The proposed amendment, which increases the amount of the Agreement by \$50,000 and extends the end date until June 30, 2019, is necessary in order to allow further discussion and opportunity to implement additional upgrades and to increase the efficiency and scope of the system's capabilities.
