Agenda Title:

Adoption of Resolution Authorizing the CEO/Director of Emergency Services, or Designee, Sheriff-Coroner/Assistant Director of Emergency Services, and/or Undersheriff to Execute for, and on Behalf of, Mendocino County Any Actions Necessary for Administration of the Emergency Management Performance Grant

Recommended Action/Motion:

Adopt Resolution authorizing the CEO/Director of Emergency Services, or designee, Sheriff-Coroner/Assistant Director of Emergency Services, and/or Undersheriff to execute for, and on behalf of Mendocino County, any actions necessary for the administration of the Emergency Management Performance Grant; and authorize Chair to sign same.

Previous Board/Board Committee Actions:

The Board has previously authorized, by Resolution, the Director and Assistant Director to execute for, and on behalf of, the County of Mendocino any actions necessary for the administration of the Emergency Management Performance Grant (EMPG). The last approval was for fiscal year 2017.

Summary of Request:

The Emergency Management Performance Grant is pass-through funding from the Federal Emergency Management Agency (FEMA) to the State of California Office of Emergency Services (Cal OES) and down to the individual Operational Areas. Currently the Emergency Management Performance Grant requires a dollar for dollar (100%) local match of funds. Funding is used to support activities that contribute to Mendocino County's capability to prevent, prepare for, mitigate against, respond to and recover from emergencies and disasters, whether natural or man-made. The grant requires a certified copy of the Board of Supervisors Resolution appointing agents authorized to execute any actions necessary under this Grant with the Emergency Management Performance Grant application.

The Emergency Management Performance Grant is an annually reoccurring grant which is allocated to California counties based on population. These grant funds are matched with Mendocino County general funds dollar for dollar and this combined funding makes up the Mendocino County Office of Emergency Services (OES) annual budget. This grant funding support OES staff salary, equipment, and EOC preparedness activities. Additionally this grant funding is used to provide training on emergency preparedness and response including regular Incident Command System training.
