Agenda Title:

Adoption of Resolution Authorizing the Destruction of Various County Records Related to Previous Solid Waste Operations (Countywide)

Recommended Action/Motion:

Adopt Resolution authorizing the destruction of various County records related to previous solid waste operations (Countywide); and authorize Chair to sign same.

Previous Board/Board Committee Actions:

By Resolution Number 09-238 (October 20, 2009), the Board approved and executed a memorandum of agreement with the Mendocino Solid Waste Management Authority, for administration and management of County solid waste operations.

Summary of Request:

The administration and management of County solid waste operations has been contracted with Mendocino Solid Waste Management Authority since October 2009. Mendocino County Department of Transportation (MCDOT) continues to retain solid waste records from operations prior to that time. The storage of these records occupies a large amount of space which is needed to store other, more pertinent documents. MCDOT has researched record retention requirements and found all the records on the attached Exhibit A to be past the required retention time periods. MCDOT requests the Board authorize the destruction of these records.

MCDOT will continue to retain any solid waste records which are found to be within the required retention time period or otherwise related to or necessary for current solid waste or landfill closure activities.

Alternative Action/Motion:

Do not adopt Resolution and provide direction to staff.
