Approve Amendment to Agreement BOS 10-207 with Tyler Technology, Inc. in the Amount of \$117,625 for Aegis CAD Upgrade for Computer Aided Dispatch Services; Software, Installation and Maintenance effective when Agreement becomes fully executed through December 31, 2020; authorize the Sheriff or his designee to sign any further amendments that do not affect the maximum contract amount; and authorize Chair to sign same.

**Previous Board/Board Committee Actions:**

BOS 10-207

**Summary of Request:**

The proposed update to the Aegis CAD Enterprise suite of software for computer aided dispatch is critically needed due to the current suites age (approximately 8 years old) and the fact that it is running on a Microsoft

server platform that is nearing its end of life and maintenance. The servers and hardware have been updated, and we need to update the suite of software from Aegis to complete the process. The suite covers core processes such as 911 dispatch services, corrections, crime reporting, mobile data, etc. Upgrading the suite helps us stay in compliance with licensing and security requirements required at local, State, and Federal levels as well as keeps the public safety dispatch services current and functioning for the ultimate public safety service.
