Summary of Request:

The Sheriff-Coroner's Office entered into a three (3) year contract with Regional Pathology Services in 2017 for autopsy services for a total amount of \$900,000. On March 26, 2019 Regional Pathology Services notified the Sheriff-Coroner's Office they were terminating the contract as of March 28, 2019 and would no longer honor their contract after that date. At that time there were 30 outstanding cases where autopsy reports were due

from the Contractor. A short term contract was entered into with Dr. Greg Pizarro, who was the pathologist under employ by Regional Pathology Services at the time, to produce those outstanding reports and maintain a current capacity to conduct autopsy services on cases as they came in. Due to the current case load in the Coroner's Division, this short term \$50,000 contact is inadequate to maintain the autopsy services. This request is to amend the contract with Dr. Greg Pizarro to add additional funds and time to allow a full and complete request for proposal (RFP) for autopsy services moving forward.
