Summary of Request:

Ordinance No. 4394 adopted Chapter 6.36 - Cannabis Facilities Businesses and Chapter 20.243 - Cannabis Facilities, effective November 16, 2017. The voter-passed tax assumed lucrative illicit market cannabis

transactions. Since its passage, small farms and the County have struggled with un-bearably onerous state regulation in the absence of local control. Simultaneously, economic profit has been approaching zero, the natural consequence of market goods in the long run, because of the entry of new firms, which drives down the market price. While it is difficult to recommend a tax cut at a time our County is facing a major deficit, the current tax schedule is doing more harm than good. Concurrent with reducing the tax rate, it should be mandated that applicable businesses stay current on taxes. With limited resources in the department, it is important that we focus renewal efforts on those who are fulfilling their voter passed tax obligation.

Alternative Action/Motion:
