Agenda Title:

Approval of Memorandum of Understanding (MOU) with Lake County Air Quality Management District, for Interim Air Pollution Control Officer Services, with a Term from August 1, 2022, through January 31, 2023, and a Total Cost of Up to \$27,400

Recommended Action/Motion:

Approve the MOU with Lake County Air Quality Management District for Interim Air Pollution Control Officer services, with a term from August 1, 2022, through January 31, 2023, with a total cost of up to \$27,400; and authorize Chair to sign same.

Previous Board/Board Committee Actions:

On 1/25/22, the Board established an ad hoc committee related to the Air Quality Management District. On 2/1/22, the Board approved a similar MOU with Lake AQMD with a term that expires 7/31/22.

Summary of Request:

The Mendocino County Air Quality Management District's (MCAQMD) Air Pollution Control Officer (APCO) recently retired. Staff, including the Interim APCO, have been working with the Board's AQMD ad hoc and Human Resources to review and revise position classifications within the MCAQMD. The intent of this effort

has been to better align titles and responsibilities with industry standards; make the MCAQMD a more resilient organization, and better delineate career ladders. While recruitments are open for permanent staff, an interim solution to fill the APCO responsibility remains necessary for the work of the District to continue. The Lake County Air Quality Management District APCO is willing and able to continue assisting the Mendocino County AQMD on an interim basis.

Alternative Action/Motion:

Provide direction to staff
