Summary of Request:

Laytonville Healthy Start (LHS) is a family resource center located in Laytonville, CA, focusing on assisting families with children in the Laytonville area. LHS was formulated under Harwood Memorial Park, Inc., a local non-profit organization, and the Laytonville School District. Mendocino County has contracted with LHS for

many years for various outreach, educational, and supportive activities and services to families and children in the Laytonville area.

Through the proposed Agreement with Harwood Memorial Park DBA Laytonville Healthy Start, LHS will provide: approved nutrition education and cooking demonstrations; Harvest of the Month taste testing; promotion of physical activity; and brochures, posters, and social media related to exercise. All services under the proposed Agreement will be in compliance with the Cal Fresh Healthy Living/Nutrition Education and Obesity Prevention Branch (NEOPB) Grant.

This Agreement is retroactive to October 1, 2022 due to a delay in contract submission and processing, which required prolonged revisions between the County and LHS.
