Agenda Title:

Discussion and Possible Action Related to an Update from the County's Community Choice Aggregation Energy Provider, Sonoma Clean Power (Sponsor: Supervisor Hamburg)

Recommended Action/Motion:

Accept the presentation from Sonoma Clean Power.

Previous Board/Board Committee Actions:

After consideration of a variety of Community Choice Aggregation program options, in October of 2016 the Board of Supervisors entered into a Joint Powers Agreement with Sonoma Clean Power to be the default energy provider for Mendocino County.

Summary of Request:

Sonoma Clean Power (SCP) is a not-for profit public agency that has been the default electricity provider for Sonoma County since May 2014. Last October the Mendocino County Board of Supervisors voted to join SCP's Joint Power Agreement along with the cities of Fort Bragg, Point Arena, and Willits in receiving SCP services beginning in June.

The goal of SCP's presentation is to inform the Board and the local electric customers about how Community Choice programs like Sonoma Clean Power work, what the program options are, what the timeline for service in Mendocino County is, and to answer any questions.

Alternative Action/Motion:

Provide alternate direction to staff.
