Recommended Action/Motion:

Direct County Counsel to develop a private campground Transient Occupancy Tax ordinance and allocation model with funds permanently earmarked to support rural fire districts.

Previous Board/Board Committee Actions:

None

Summary of Request:

Our local fire departments are generally first on scene to a myriad of hazard types and provide year round protection to life, property and the environment. Our fire districts are severely underfunded and face ever growing unfunded mandates. Allocation of funds should be based on ensuring a reasonable base level of service throughout the county.

No alternate action.
