Previous Board/Board Committee Actions:

On May 12, 2016, the Board approved Agreement No. 16-053 with NEOGOV. On May 25, 2018, the Board approved Agreement No. 16-053 A-1.

Summary of Request:

A primary duty of the Human Resources department is to recruit, manage, develop and retain a qualified work force. Candidates must go through an application and screening process that verifies they meet minimum qualifications of the position they have applied for. Human Resources is tasked with screening the nearly three thousand applications received annually for open positions.

The software services provided to Human Resources through NEOGOV over the last several years have proven to be advantageous to the recruitment process by increasing work flow and decreasing staff time previously dedicated to manual screening of applicant qualifications. The department is satisfied with the current services and requests to extend the Agreement for an additional year.

Alternative Action/Motion:

Return to Human Resources with further direction.
