Adoption of Resolution Accepting the State Air Resources Board (ARB) Community Air Protection Program Grant (G18-MCAP-25) in the Amount of \$138,194.45 for Implementation of the Community Air Protection Program (AB 617) for the Term of April 1, 2020 through December 31, 2022, and Authorizing the Air Pollution Control Officer to Execute the Grant Agreement on Behalf of the District

**Recommended Action/Motion:**

Adopt Resolution accepting the State Air Resources Board (ARB) Community Air Protection Program Grant (G18-MCAP-25) in the amount of \$138,194.45 for implementation of the Community Air Protection Program (AB 617) for the term of April 1, 2020 through December 31, 2022; authorizing the Air Pollution Control Officer, as agent, to sign the grant agreement; and authorize Chair to sign same.

**Previous Board/Board Committee Actions:**

None directly related to this request. The Board routinely approves grant funding for the Air Quality Management District.

**Summary of Request:**

In 2017, the Governor signed legislation aimed at improving neighborhood-level air quality as part of the state's Cap-and-Trade Program. AB 398 extended and improved the Cap-and-Trade Program which will provide billions of dollars in auction proceeds towards communities in California.

AB 617 established a new program, Community Air Protection Program (CAPP), to measure and reduce air pollution from mobile and stationary sources at the neighborhood level in the communities most impacted by air pollutants. AB 617 requires the California Air Resources Board (CARB) to work closely with local air districts and communities to establish neighborhood Air Quality monitoring networks and to develop and implement plans to reduce emissions.

The CAPP Program grant is intended to provide resources to local air districts to cover district costs associated with actions to reduce exposure to criteria air pollutants and toxic air contaminants in disadvantaged and low-income communities.

The District's contracted attorney has reviewed the Community Air Protection Program Grant Agreement and Resolution for content.

**Alternative Action/Motion:**

Do not approve the Contract with the state Air Resources Board and do not approve the Air Quality Management District's request to accept the AB 617 Community Air Protection Program Grant as proposed.
