**Summary of Request:**

Health and Human Services Agency, Family and Children's Services (FCS), is committed to excellence in the delivery of child welfare services in a child-focused, family centered and culturally competent manner.

Delivery of these services includes provision of Triple P (Positive Parenting Program) classes countywide through the proposed Agreement with FIRST 5 Mendocino.

FIRST 5 Mendocino introduced Triple P to Mendocino County for families with questions about young children's behavior. The Triple P program has now evolved to help families with children of all ages find positive solutions to child behavioral problems, and to help with children who have a delay or disability. FIRST 5 Mendocino is the only agency in the county that provides and coordinates training certification for Triple P instructors, and that helps ensure fidelity to the training model.

At the request of FCS, FIRST 5 Mendocino has continued to expand the offering of Triple P classes countywide, especially in outlying, coastal and north county areas. This service is available free of charge to any parent in Mendocino County, in order to help reduce child abuse and neglect, and to assist FCS in providing parenting education to families who have open formal cases with FCS. In addition, FIRST 5 Mendocino has added Transitions Groups, providing parenting education to parents who are separating; Mendocino County Family Law Court utilizes these groups.
